

OFFICE INTERNSHIP OVERVIEW

About Schuyler Line Navigation Company

Schuyler Line Navigation Company, LLC (SLNC) is a Section 2 U.S.-Citizen owned company operating commercial U.S. Flag & Jones act vessels worldwide. SLNC provides a variety of liner, chartering and parcel shipping services, and logistics services to and from the USA, Denmark, Greenland, the North, Central and South American markets, as well as African markets and Caribbean markets including Cuba, Guatemala, Belize, Colombia, and Haiti. We service the needs of our customers on a world-wide basis; in doing so our vessels call some of the most remote and austere environments around the world.

Schuyler Line Navigation Company was founded in 1998 by three graduates of SUNY Maritime and now has more than 30 shoreside employees based at the company's headquarters in Annapolis, Maryland and a global network of more than 180 Schuyler Line and affiliated employees around the world. SLNC is committed to providing safe and reliable transportation services, while at the same time protecting our crews, vessels, cargo, and the environment.

What We Do

Schuyler Line Navigation Company provides door-to-door solutions for our customers, excelling in turn-key solutions in remote areas. SLNC has access to global networks, providing our customers with unparalleled service from inland destinations and ports in the USA to ports and inland destinations around the world. As a company, we are firmly committed to growing with our customers' needs and requirements while offering an unparalleled level expertise and service around the world.

Our Family of Companies

In 2018, a group of leading companies in U.S. Flag shipping, fleet technical management, and marine personnel were consolidated under one parent company, Bold Ocean. Bold Ocean's singular mission is to be the leading company in the U.S. Flag space – focusing on Jones Act tonnage, the U.S. Cargo Preference market, and the Maritime Security Program. Bold Ocean also handles the legislative affairs for all the subsidiary companies.

- **Schuyler Line Navigation Company, LLC (SLNC)** operates commercial U.S. Flag and Foreign Flag vessels worldwide, providing a variety of liner shipping and logistics services to even the most austere ports and inland destinations. SLNC services ports worldwide with a specialization in African, Caribbean, and South American ports.
- **Schuyler Services LLC** manages and operates stevedoring and door delivery services. In addition, Schuyler Services offers associated freight handling expertise with the transport of cargo in U.S. and overseas ports.
- **Schuyler Technical LLC** supports U.S. Flag vessels by providing complete technical management services that keep the vessels operating safely, efficiently, and in accordance with U.S. and international regulations.
- **Chesapeake Crewing, LLC** provides marine personnel to commercial operators of U.S. Flag vessels.
- **Argent Marine Operations, Inc.** is a vessel operator and provides crewing services to U.S. Flag vessels.

Internship Program

Schuyler Line Navigation Company's (SLNC) internship program offers real world experiences for students exploring a career in the maritime industry. SLNC's headquarters, located in Annapolis, MD is looking for students with outstanding academic records and proven leadership capabilities to intern in our offices throughout the year.

An internship at SLNC is a hands-on learning experience under the guidance of various Operational Managers. This position will provide interns with the opportunity to support the operational needs of the Bold Ocean family of companies. This unique internship opportunity allows students to learn the inner workings of our shoreside operations and develop valuable relationships in our offices that will serve them well in their future career endeavors. We like our interns to have firsthand experience in the maritime industry, and, when possible, we invite interns to visit ships and customers with us. Your internship may involve doing work for each of the companies in the Bold Ocean family.

Eligible Candidates

Ideal candidates would include students with an exemplary academic record and an interest in the maritime industry. Interns need to be currently enrolled in an associate or bachelor's program from an accredited college or university. SLNC will review applications for exceptional high school students on a rolling basis.

What to Expect

During your time as an SLNC intern, you will gain firsthand experience in the office operations of a leading U.S. flag shipping company. Your day will include errands and tasks that are critical to ensure our companies are able to provide seamless service to our clients around the world. You'll gain a basic understanding of the operations needed to keep our ships running and our crews supported on a global basis. In addition, you'll have the opportunity to read relevant industry publications and help do research and organize data. Your internship will be what you make of it- some days may include supporting office operations but each day you will have the opportunity to learn the inner workings of a successful shipping company and gain facetime with mentors that can support your future career endeavors.

Application Process

Applicants must submit their applications directly to the Human Resources department at Bold Ocean. Complete all materials and email to: HR@boldocean.com

The application requires the following components. Please be prepared to provide the following:

- SLNC Internship application
- A brief 250-word essay introducing yourself to SLNC and stating your objectives and expectations of a SLNC internship and how they relate to your goals.
- A resume, to be uploaded as a PDF.
- An official transcript.

Bold Ocean and its subsidiary companies are an Equal Opportunity employer and will consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status, or disability status.

Frequently Asked Questions

Do you provide housing?

No.
